romancing the HOME

OWNER SUSAN GOODJOHN has brought her gift and home accessory shop, **Windsor Rose**, to a new shopping area in Escondido and filled it floor to ceiling with her delectables. You'll love the frames and candles, pillows, ruby-red earrings and pearl and crystal jewelry among many other delights. Design services available. Windsor Rose, The Centre at Lexus Escondido, Escondido.

HOMING IN

AT HOME OWNER LEE THOMAS gave us a tour around his expansive new showroom of unique furniture, lighting and accessories. The shop is a timely addition to the many design sources on Kettner Boulevard. You might remember the original store in Palm Springs. At Home, Little Italy.

LOVE NOTES

VLADYMIR ROGOV DESIGNS his elegant contemporary desk accessories of glass and metal to stand "wherever your heart desires." Many of them, like this letter holder with letter opener, also can be etched with a monogram or valentine sentiment. Made in San Diego. **Desk Architecture**, www.deskarchitecture.com
